

CARLOS ALVAREZ
MAYOR

OFFICE OF THE MAYOR MIAMI-DADE COUNTY, FLORIDA

October 25, 2006

Greetings!

As Mayor of Miami-Dade County, and as a proud Hispanic, I am pleased to be part of the "25 Mitos/25 Realidades" HIV/AIDS Public Awareness Campaign.

Thanks to the participation of the Miami-Dade County Health Department, Hispanic AIDS Awareness Program, InterArt Media and a host of Hispanic celebrities, we are getting out an important message out about the HIV/AIDS epidemic in our community. By dispelling the myths and dispensing the facts about HIV/AIDS, we can better prevent the spread of this deadly disease.

Miami-Dade always takes great pride in recognizing the efforts of organizations and individuals who improve the lives of those in our community. I am confident the "25 Mitos/25 Realidades" campaign will not only touch many lives, but save lives as well.

Congratulations to all involved on a job well done!

Sincerely,
